If the rented harp is purchased directly, **Lyon & Healy or Salvi will apply six months of rental fees** toward the purchase price of the instrument. The harpist currently purchasing a lever harp should keep the Bounty Program in mind for the future.

Lyon & Healy or Salvi will apply the original purchase price of any Lyon & Healy or Salvi lever harp that is less than five years old, in fair condition and traded in by the original owner, toward the purchase of any new Lyon & Healy or Salvi pedal harp of greater value. Under the Bounty Program, one trade-in per customer is allowed. The Silhouette electric and Egan electroacoustic lever harps are not included. Other conditions apply, contact us or your harp dealer today for details. Please have your harp's serial number and model information readily available.
